Massachusetts Airport Management Association

2015 Scholarship

The Massachusetts Airport Management Association has established a scholarship program to encourage and help support careers within aviation. MAMA does not base criteria on financial need. Applicants can use the funds for private, instrument or commercial flight training. All scholarships are awarded annually. Scholarship money will be deposited to a flight account with the flight school listed on the documentation. The money is to be used for flight training only and is not refundable to the student. Any balance on the students flight account after 1 year will be refunded to MAMA and used for the next year's scholarship.

MAMA will be awarding \$1,000 in 2015.

To be eligible for a MAMA scholarship, the applicant must:

- Be a full time Massachusetts resident and a U.S. Citizen
- Hold a current Medical Certificate
- Be at least 16 years of age and completed a first solo
- Use the scholarship funds within one year
- If a licensed pilot, proof of a current license, medical and flight review
- Flight training must occur at a Massachusetts facility doing business as a flight school

The applicant is solely responsible for completion of all parts of the application and for the submission by the **due date of April 15, 2015**. Use additional sheets of paper as needed. Please type, print or write legibly in ink. Only complete application packages will be considered. Proof of U.S. citizenship must be provided to receive the awards.
